The buyers will have 10 days from the receipt of abstract to have the abstract examined. The sellers guarantee a clear and marketable title on the property. The owners reserve the right to reject any and all bids.

Possession: June 1, 2012

Auctioneer's Note: Rarely does an opportunity like this present itself! This is a 10,000 head (permitted for 14,000 head) operating cattle feedlot with many recent updates and renovations! This facility is located in the "heart" of cattle county with all feed resources necessary for operation produced on nearby farms. The feedlot is adjacent to SELC Bio-fuels Ethanol Plant with potential for purchase of many bi-products for feed production. FCS located in nearby Sioux Center offers a full spectrum of livestock products including grain, supplements, feeding equipment and more. This is a turn-key operation, with new buyers having the opportunity to retain current employees and contracts. Vander Werff and Associates will be accepting sealed bids until 4 pm on March 30, 2012. The top 7 bidders will then be offered an opportunity to attend a private auction on April 5, 2012. Please contact us if you have any questions or would like additional information! Thanks! Rich, Todd, and Ben.
